Child – Extreme Abuse Survey (C-EAS)
An International Online Survey for
Caregivers of Child Survivors of Ritual Abuse and Mind Control
July 8, 2007 – October 8, 2007

Results

395 persons *viewed* the survey:
262 in English,
133 in German.

264 persons *answered at least one question* on the survey.
184 answered in English
80 answered in German

19 *countries* were declared by 242 persons; 22 respondents did not name a country of residence:

- | | |
|-----------------------|--------------------|
| ◆ United States (116) | ◆ Israel (1) |
| ◆ Germany (67) | ◆ Peru (1) |
| ◆ United Kingdom (24) | ◆ Philippines (1) |
| ◆ Canada (12) | ◆ Poland (1) |
| ◆ Armenia (4) | ◆ Portugal (1) |
| ◆ New Zealand (3) | ◆ South Africa (1) |
| ◆ Australia (2) | ◆ Switzerland (1) |
| ◆ France (2) | ◆ Turkey (1) |
| ◆ Netherlands (2) | ◆ Venezuela (1) |
| ◆ Hungary (1) | |

222 respondents gave their *primary languages*, 42 respondents did not name their primary languages:

- ◆ English (148)
- ◆ German (57)
- ◆ Dutch (6)
- ◆ Spanish (4)
- ◆ Afrikaans (1)
- ◆ Armenian (1)
- ◆ Amharic (1)
- ◆ Faroese (1)
- ◆ Frisian (1)
- ◆ Hungarian (1)
- ◆ Polish (1)

Survey Questions with Numbers / Percents of Respondents

N = number who responded to question

n / a = number who checked each part of a question

% = percent of Total N

Percents are rounded off to nearest percent; therefore, the total does not always equal 100%.

My gender:

(click on one response only)

My gender	N = 257	
	n	%
female:	214	83%
male:	39	15%
transgendered:	4	02%

My current age:

(click on one response only)

My current age	N = 262	
	n	%
18 – 21:	6	02%
22 – 35:	66	25%
36 – 50:	108	41%
51 – 65:	69	26%
66+:	13	05%

1. My caregiver role(s)
(check all that apply)

Adoptive parent	11
Birth parent	56
Step parent	06
Foster parent	12
Relative (other than parent)	12
Legal guardian	10
Mental healthcare provider	31
Physical healthcare provider	04
Preschool / daycare employee	02
Public school employee	02
Private school employee	03
Clergy member	05
Childcare worker in residential setting	04
Social worker	13
Child protective services worker	01
Attorney	01
Law Enforcement	03
Voluntary agency counselor	05
Professional survivor advocate	07
Other Type in other caregiver roles	12
<ul style="list-style-type: none"> ◆ Beraterin, Verhaltenstherapeutin [“Counselor-Psychotherapist Behavior Therapy”] ◆ Child 	<ul style="list-style-type: none"> ◆ Child Psychotherapist ◆ Dozent [University Lecturer]

<p>Other caregiver roles continued</p> <ul style="list-style-type: none"> ◆ employed supervisor for clinic program whose population deals with abuse and neglect ◆ Erzieher [“Educator / Child Care Worker”] ◆ Family Friend ◆ Freundin und Unterstützerin [“Friend and supporting person”] ◆ Friend and carer ◆ Husband ◆ Partner 	<ul style="list-style-type: none"> ◆ Projektleiterin Nachbarschaftstreff [“project-manager for neighborhood meetings”] ◆ Psychotherapeutin [“female psychotherapist”] ◆ Psychotherapeutin in eigener Praxis ◆ [female psychotherapist in own practice”] ◆ Psychotherapist ◆ safe house ◆ self ◆ Self & sister

2. Number of RA / MC survivors under 18 for whom I have served as a caregiver.

Number of RA / MC survivors under 18 worked with	N = 123
	n
1	51
2	30
3	15
4	02
5	04
6	05
7	04
8	02
9	0
10	01
11-20	02
21-50	03
51-100	02
100+	02

3. The category that best describes the type of abuse disclosed by the child (or majority of children) for whom I have served as a caregiver is. . .
(click on one response only)

- Ritual Abuse
- Mind Control
- Ritual Abuse and Mind Control
- Other Extreme Abuse
- Don't know
- No answer

Note: The directions that appeared online asked respondent to click on one response only; however the respondent was incorrectly given three choices for each category: n / a, yes, no. Therefore the discrepancies between the original directions and the directions that appeared online for this question render any interpretation of these responses invalid.

4. Optional: I am a survivor of ritual abuse and / or mind control (RA / MC).

I am a survivor of RA / MC	N = 142	
	n	%
Yes:	72	51%
No:	55	39%
Don't know:	7	05%
n / a	8	06%

5. Non-verbal disclosures

(Check all that you have observed in the child or children for whom you have provided care)

Non-verbal disclosures	N	yes n (%)	no n (%)	don't know n (%)	n / a n (%)
Aversion to certain foods (e. g. red meat, tomatoes, etc.)	102	74 (73%)	14 (14%)	12 (12%)	2 (02%)
Abdominal pain for no apparent reason	102	83 (81%)	10 (10%)	7 (07%)	2 (02%)
Reliving abuse while in dissociative state	105	87 (83%)	4 (04%)	10 (10%)	4 (04%)
Age inappropriate sexual knowledge	105	75 (71%)	11 (11%)	13 (12%)	6 (06%)

12. Legal Responses to Disclosures

(Click on all that true for one or more children for whom you have provided care)

Legal Responses to Disclosure	N	yes n (%)	no n (%)	n / a n (%)
I have reported the RA / MC of one or more children under my care to Social Services.	83	46 (55%)	32 (39%)	5 (06%)
Social Services has substantiated one of more of my reports.	79	20 (25%)	51 (65%)	8 (10%)
Social Services has determined one or more of my reports to be unfounded.	80	20 (25%)	50 (63%)	10 (13%)
I have reported the RA / MC of one or more children under my care to Law Enforcement.	84	40 (48%)	38 (45%)	6 (07%)
At least one perpetrator has been arrested.	82	22 (27%)	57 (70%)	3 (04%)
Charges have been dismissed against at least one perpetrator.	76	30 (40%)	39 (51%)	7 (09%)
At least one perpetrator has submitted a plea bargain.	76	11 (15%)	58 (76%)	7 (09%)
At least one perpetrator has gone to trial.	77	17 (22%)	55 (71%)	5 (07%)
At least one perpetrator has been convicted.	78	16 (21%)	57 (73%)	5 (07%)
The verdict of at least one perpetrator who was convicted has been reversed.	75	4 (11%)	63 (84%)	8 (05%)
At least one perpetrator has been sued in civil court.	76	9 (12%)	61 (80%)	6 (08%)
At least one perpetrator has paid damages.	77	3 (04%)	68 (88%)	6 (08%)

13. Healing Methods

(If one or more of the children for whom you have provided care has used the healing method, please rate on a scale of 1 to 5 according to how helpful you think it has been in a child's healing process)

N = Number who answered the question

n / a = number who have not used the method

n_U = number who have used the method (percentages of help categories refer to this number)

Healing methods	N	n / a n (%)	Users n _U (100%)	great help n (%)	much help n (%)	some help n (%)	little help n (%)	no help n (%)
Abreactive work	63	21 (33%)	42 (100%)	6 (14%)	8 (19%)	15 (36%)	8 (19%)	5 (12%)
